**"AN ACT CONCERNING PROCESS PIPING USED TO PRODUCE
PRODUCTS FOR HUMAN CONSUMPTION."**

1 After the last section, add the following and renumber sections and
2 internal references accordingly:

3 "Sec. 501. Section 20-340 of the general statutes is repealed and the
4 following is substituted in lieu thereof (*Effective October 1, 2003*):

5 The provisions of this chapter shall not apply to: (1) Persons
6 employed by any federal, state or municipal agency; (2) employees of
7 any public service company regulated by the Department of Public
8 Utility Control or of any corporate affiliate of any such company when
9 the work performed by such affiliate is on behalf of a public service
10 company, but in either case only if the work performed is in
11 connection with the rendition of public utility service, including the
12 installation or maintenance of wire for community antenna television
13 service, or is in connection with the installation or maintenance of wire
14 or telephone sets for single-line telephone service located inside the

15 premises of a consumer; (3) employees of any municipal corporation
16 specially chartered by this state; (4) employees of any contractor while
17 such contractor is performing electrical-line or emergency work for
18 any public service company; (5) persons engaged in the installation,
19 maintenance, repair and service of electrical or other appliances of a
20 size customarily used for domestic use where such installation
21 commences at an outlet receptacle or connection previously installed
22 by persons licensed to do the same and maintenance, repair and
23 service is confined to the appliance itself and its internal operation; (6)
24 employees of industrial firms whose main duties concern the
25 maintenance of the electrical work, plumbing and piping work, solar
26 work, heating, piping, cooling work, sheet metal work, elevator
27 installation, repair and maintenance work, automotive glass work or
28 flat glass work of such firm on its own premises or on premises leased
29 by it for its own use; (7) the fabrication of glass products or electrical,
30 plumbing and piping, fire protection sprinkler systems, solar, heating,
31 piping, cooling, sheet metal or elevator installation, repair and
32 maintenance equipment used in the production of goods sold by
33 industrial firms, except for products, electrical, plumbing and piping
34 systems and repair and maintenance equipment used directly in the
35 production of a product for human consumption; (8) persons
36 performing work necessary to the manufacture or repair of any
37 apparatus, appliances, fixtures, equipment or devices produced by it
38 for sale or lease; (9) employees of stage and theatrical companies
39 performing the operation, installation and maintenance of electrical
40 equipment if such installation commences at an outlet receptacle or
41 connection previously installed by persons licensed to make such
42 installation; (10) employees of carnivals, circuses or similar transient
43 amusement shows who install electrical work, provided such
44 installation shall be subject to the approval of the State Fire Marshal
45 prior to use as otherwise provided by law and shall comply with
46 applicable municipal ordinances and regulations; (11) persons engaged
47 in the installation, maintenance, repair and service of glass or electrical,
48 plumbing, fire protection sprinkler systems, solar, heating, piping,
49 cooling and sheet metal equipment in and about single-family

50 residences owned and occupied or to be occupied by such persons;
51 provided any such installation, maintenance and repair shall be subject
52 to inspection and approval by the building official of the municipality
53 in which such residence is located and shall conform to the
54 requirements of the State Building Code; (12) persons who install,
55 maintain or repair glass in a motor vehicle owned or leased by such
56 persons; (13) persons or entities holding themselves out to be retail
57 sellers of glass products, but not such persons or entities that also
58 engage in automotive glass work or flat glass work; (14) persons who
59 install preglazed or preassembled windows or doors in residential or
60 commercial buildings; and (15) persons registered under chapter 400
61 who install safety-backed mirror products or repair or replace flat glass
62 in sizes not greater than thirty square feet in residential buildings."
